REPRESENTATIVES of more than 30 chapters of the Alberta Association of Registered Nurses met in Edmonton recently at a one-day "Chapter Institute." The role of chapters in nurse recruitment, developing leadership skills, and other topics as refresher courses and programming were among items discussed. Shown at the meeting, left to right, are: Mrs. M. Bowie, Peace River; Miss Audrey Wrubelski, Spirit River; Mrs. Mary Witenko, Westlock; Mrs. Mary Packman, Lloydminster; Mrs. Pauline Hunter and Mrs. Hazel Harrold, Athabasca, and Mrs. Vera Harris, Barrhead.

Lac La Biche

Mrs. D. W. Bailey has gone to Edmonton for medical treatment.

A number of local curlers took in the bonspiel at St. Paul last weekend. Sorry to say the prizes went elsewhere.

C. H. Salvert has returned to Anzac, where he is employed as security guard at the radar station, after spending several days with his family here.

Rev. Herb Montgomery of the Whitehorse Baptist Indian Mission showed colored slides of the work in that area at the Evangelical Free Church, Lac la Biche, Jan. 31. A large attendance was reported.

Alcide Baglot, assistant town foreman, attended a three-day course sponsored by the division of sanitary engineering, department of health. He attended the first year of a three-year progressive course offered to water and sewer operators throughout northern Alberta. The classes were held at the Jubilee Auditorium, Edmonton.

In last week's issue of the Lac la Biche Herald a picture appeared showing Rev. and Mrs. Andrew Daneliuk and two children, missionaries to the Slavic people of Europe. The Evangelical Free Church of Lac la Biche has arranged to have Rev. Daneliuk as special speaker for a series of meetings to be held later in the month of February. Announcements are to appear in a later issue of the Herald.

Jimmie Stewart is home again after successfully completing the first semester at Alberta College, where he was taking subjects to complete his senior matriculation.

4-H Club Notes

PLAMONDON — Mr. Strashok, district agriculturist from Lac la Biche, came to this district Feb. 3, accompanied by Adolphis Gauthier and Donald Bosse with their car.

They picked up all the members of the 4-H Club, 13 in number, and visited the farms to observe the youngsters' progress in the care of their calves.

The group first travelled north and had dinner in the cafe at the Pelican Hotel. In the afternon they toured the southern part. It was an interesting experience for the 4-H members.

Milton Maskaluk Named President Students' Union

LAC LA BICHE — Recent elections took place in the Lac la Biche Students' Union. Officers elected were: president, Milton Maskaluk; vice-president, John Bereza; secretary, Clare Johanson; treasurer, Joanne Hamar.

Social convener, Miles Graham; girls' sports convener, Emilie Dubrowny; boys' sports convener, Eugene Lobay.

The annual Mardi Gras sponsored by the students' union will be held March 2.

Contestants for queen are Cecille Meardi, representing Grade 12; Marie Cadieux, representing Grade 11; and Mary Tratch, representing Grade 10.

Joan Cadzow won the contest last year.

Ratepayers To Hold Annual Meeting

LAC LA BICHE — The annual meeting of the ratepayers of the Town of Lac la Biche is to be held Feb. 12 at 8:00 p.m. in the town office. Reports will be heard from officials and the various committees of council, and the activities of the year 1961 will be reviewed.

Lac la Biche United Church Notes Successful, Active Year

LAC LA BICHE — The annual meeting of Lac la Biche United church was held in the Memorial Hall Thursday, Feb. 1. The evening commenced with a family dinner at 5:30 p.m. prepared by the United Church Women. The CGIT members were engaged to serve the tables.

The review of the activities of the church was initiated with the reading of the minutes of the annual meeting of 1960 by H. Linnell, secretary-treasurer of the committee of stewards. S. Hamar, clerk of the session, reported on the number of families on the church roll and the services of marriage, burial and baptism conducted by the church.

H. Linnell also gave the financial report of the committee of stewards who administered the temporal work of the church. J. Olstad, chairman of the stewards, presented the proposed budget of 1962, which was endorsed by the meeting. Attention was drawn to the pledges already received toward the church building fund and hopes for the erection of the latter very soon.

Mrs. E. Woynarowich gave the financial report of the Women's Association and Mrs. Steve Hamar, the report on the association's activities. Attention was drawn to the merging of the WA with the new organization of the United Church, the United Church Women. Its nature and function, which emphasizes the total mission of the church, local, national, rehabilitation projects and abroad, was pointed out.

In the absence of Mrs. H. Mawson, superintendent, the Sunday school report was presented by Rev S. Munro. The CGIT report, girls of 12 to 17, was given by Miss Beverly Lett. Mrs. Howard Lett, Explorers' counsellor, presented the Explorers' report, girls 9 to 12.

Mr. Munro, minister, reported a healthy attitude of a growing awareness of the breadth of the work of the Christian church among the congregation and an increasing willingnesss upon its part to become absorbed in its doings. He stated it was very gratifying.

Elected to the committee of stewards were H. Linnell, re-elected, F. Lockwood and E. Torgunrud. Thanks were tendered Dr. W. J. Cadzow and E. J. Woynarowich, retiring members of the stewards.

Funeral Rites For Henry R. Pozer, 93

A long-time resident of Owl River and Lac la Biche, Henry Robert Milborn Pozer passed away in the St. Catherine's hospital Jan. 13 at the age of 93 years. Funeral services were held from St. Andrew's Anglican church Jan. 16. Rev. W. A. Swinton officiated and burial was in the Soldiers' Plot, Lac la Biche cemetery. Members of the local Canadian Legion were pallbearers. They were: J. Williams, W. Horseford, J. Booker, I. Ewonchuk, E. G. Dobson and T. McCullough.

Left to mourn his passing are two sons: Milborn of Calgary and Hugh of Owl River and a daughter, Edith of Innisfail.

Mr. Pozer was born at St. Georges Bois, Quebec in 1868. He was in the militia in 1885, at the time of the Riel Rebellion, but his regiment remained at the Citadel in Quebec.

In 1895 Mr. Pozer came west to Fort Edmonton. In 1896 he moved to Two Hills, where he ranched and ran a trading store. He moved to Vegreville in 1905 and was secretary-treasurer of the town and also a justice of the peace for many years. He moved to Owl River in 1933 where he ranched until retirement.

For some time prior to his death he lived in a cabin on a farm owned by H. Carran. Mr. Pozer was a well educated man and took great pride in his library of valuable books, which unfortunately were destroyed when his cabin burned to the ground early last summer. This loss was a real shock to the aged man, and his health deteriorated quickly from then on and he spent much of the time during the last few months in hospital.

Lac La Biche SD To Name Trustee

An election will be held in the Lac la Biche subdivision of the Lac la Biche school division No. 51 this year to select a trustee.

This is the first time an election has been necessary in the subdivision, which comprises the town of Lac la Biche, Owl River and Heart River (Imperial Mills) since the town joined the large unit in 1952. Up to the present year the seat has always been filled by acclamation.

The term of Jack Williams of Lac la Biche expires in 1962 and nominations for the vacancy include Ludwig Diesel of Lagoon Lake and Mr. Williams.

Election date is Feb. 10 at the Lac la Biche school.

REPORT FROM OTTAWA

By Anthony J. Wright

LIVELY TALES FROM NEWFOUNDLAND: Solicitor General W. J. Browne, nimble-witted lawyer from St. John's West, Newfoundland, treated the Commons to one of his entertaining forays against Premier Joey Smallwood of his island-province, with sideswipes at another entertaining gentleman, the Hon. Jack Pickersgill. It was a glance at history and politics in the best debating tradition where debaters say what they think—or get as close to it as Parliamentary rules permit — and everyone comes away refreshed, without having his mind changed.

Anthony Wright

Mr. Browne was advancing the general thesis that planning and socialism can lead a chap, or an admininstration, into trouble. He noted that, according to the former CCF leader, Mr. M. J. Coldwell, Premier Smallwood of Newfoundland was more of a socialist than the NDP leader, Mr. Tommy Douglas.

Mr. Browne contends that Premier Smallwood, having won Newfoundland's first election handsomely, had about $50 millions with which to plan a great future for Newfoundland.

Mr. Browne painted a picture of unorganized woe and chaos, told the Commons that the lumberman appointed to set up a new birch plant for the province "sold $365,000 worth of materials from his own private company to put into this plant and there was no one to inspect anything". Apparently after this and other adventures into planning the minister of resources of the province finished up with "millions of dollars of unpaid bills lying on his desk and resigned because he could not sleep at night . . . for worry about the condition of things".

To me it seemed Mr. Browne should have been attacking Mr. Smallwood for lack of planning, not for planning. The minister closed his attack, not a new thing in the Commons, but a spirited affair, with this catalogue of misfortune:

"I defy the honourable member (Mr. Pickersgill) to state one of the successes. I will name the industries, as far as I can remember them. There was the birch plant, the steel plant, the cement plant, the gypsum plant. In those last two there was graft to the amount of $500,000. There was the battery plant and the rubber plant . . . which cost $2 millions. That was $2 millions right down the drain. The rubber was so bad that after people bought the rubbers produced they brought them back to the stores and said 'These are rotten; we cannot keep them together'.

"Twenty thousand pairs were sold in Montreal for $1 a pair. When the premier was reproached about it, he said 'Don't you think I was smart to sell them to the French-Canadians.'

"Twenty thousand pairs costing, I suppose, about $5 a pair—there was $2 millions lost on that. And who do you think is renting that building in which the plant was established? It is rented now by the Department of National Defence—that is the first return for the provincial government of Newfoundland from the 20 industries they started . . . thirty million dollars went into those industries and not one cent has been returned except the rent from the Defence Department . . ."

That's politics for you. I suppose if Mr. Smallwood were of the same political group as Mr. Browne, the latter would never mention the losses to his fellow Newfoundlanders.

SHAME ON THE DRINKERS: John Matheson, new member and Liberal from the Brockville district of Ontario, is putting up quite a men, in order to get them to plug pitch for local dairy interests. He regrets that more beer is being "guzzled" than milk. Perhaps he should check on farmers and Parliamentarians & see whether they are, patriotically, consuming more milk than beer every day. I see President Kennedy is going overboard on milk and that it's going to be sloshed around at all White House meals. How wonderful the power of lobbies and pressure groups that they can commandeer the time of busy states-

Plamondon

The ceremony of the Purification of the Blessed Virgin was held in St. Isadore's Church on Feb. 2. First the candles were blessed; then Holy Mass was celebrated. After the sermon the mothers were asked to bring their babies one year old and under to the front of the Church, where Rev. F. Croteau blessed them. They were quite numerous.

Rev. Sister Provincial of the St. Joseph's Home in Edmonton recently visited the Rev. sisters of the Couvent de la Joi in Plamondon and the teachers and pupils in the schools.

Ernest Hebert from St. Vencient, Quebec, visited his brother and sister-in-law, Mr. and Mrs. Ulric Hebert. It has been 23 years since they have seen each other. Mr. E. Hebert flew by jet from Quebec to Edmonton. He traveled by rail to Lac la Biche and motored from there to Plamondon. He will stay some time with Mr. and Mrs. U. Hebert.

Armond Hamshu of Morinville has been hauling hay for the second week in Plamondon. Cars are still being loaded in Lac la Biche which will be shipped to Saskatchewan. Eugene Plamondon had a sale for his hay. He had a road opened by a cat. So that he could haul 24 hundred bales to be loaded on the cars in Lac la Biche bound for Saskatchewan. Mr. Hamshu will be in the district for some time yet.

Miss Dianne Plamondon, a school teacher, boarded with Miss Anne Schaub for a few days while roads were drifted with snow. The roads are now open.

Mr. and Mrs. Joe Gagnon drove to Lac la Biche along with Mrs. Matilda Bourassa and Mrs. Wilfred St. Jean. Some of them went for check-ups, and they also visited patients in St. Catherine's Hospital. Mr. St. John, who had been in the hospital over a week, is home now and feeling better.

Felix Belanger is back home after spending about 10 days in the hospital.

Mr. and Mrs. Ulric Menard and their son Andre motored to Lac la Biche to receive medical attention for Andre who had injured his ankle.

Mrs. E. Plamondon recently received a telephone call from her son and daughter-in-law, Mr. and Mrs. Laurier Plamondon in Edmonton.

Mr. and Mrs. Charles Gaudette are the proud parents of a baby boy, born Feb. 1, weighing 8½ pounds. Geramie Gauthier, her brother, is taking their mother Mrs. Donald Bosse and Mrs. Albert Gaudette to visit Mrs. Gaudette in St. Catherine's Hospital.

After little Janie Plamondon had been in hospital 17 days her parents, Mr. and Mrs. Roy Plamondon, motored to Lac la Biche expecting to take her back home. But it was necessary for her to remain a few more days.

Ovid Plamondon from Edmonton is visiting relatives and friends in the parish, as he is convelescing after undergoing surgery.

Ulric and Hector Menard left last weekend for Edmonton on a business trip. While there they visited at the Laurier Plamondon home. As the snow was drifting badly they remained in the city until after the storm.

Martin Schaub travelled to Edmonton to visit his wife in the General Hospital, where she has undergone foot surgery. Further surgery is to be performed shortly.

Mr. and Mrs. Ulric Menard are motoring to Fort Kent and taking along Mr. and Mrs. Ulric Hebert and his brother Ernest Hebert, their visitor from Quebec. They plan to visit Mr. and Mrs. Lucien Hebert and their family.

Two car loads of Knights of Columbus motored to Lac la Biche Sunday night of last week to attend a general meeting of the Knights. The names were drawn for the KC curling bonspiel.

Dennis Hebert, who is taking a mechanic's course in Calgary, motored here at the weekend to see his uncle, Ernest Hebert.

Mrs. Claude Gauthier recently visited her mother, Mrs. Jean La Rosic at Atmore.

Mr. and Mrs. Roger Bourassa, Mr. and Mrs. Charles Paradis and Mr. and Mrs. Wilfred Paradis from Edmonton were weekend guests of Mrs. Matilda Bourassa. They also visited at the Bonit and Frederick Plamondon homes.

Miss Reta Parent visited her parents, Mr. and Mrs. Charles Parent at Breynat at the weekend. She returned Sunday to her boarding place at Benoit Plamondon's home.

CITY'S REPORT PREDICTS:

Coal-Fired Genesee Power Plant "Cheaper Than Gas"

A detailed report on the proposed coal-fired city power plant at Genesee states it could produce power cheaper than the existing gas-fueled plant in Edmonton, output from which costs the city 50 per cent less than power supplied to the city of Calgary by Calgary Power Ltd.

Prepared by Power Plant Superintendent William D. Kirkland for study by council, the report says the Genesee plant ultimately will yield power at 4.5 mills per kilowatt hour, compared to the present cost of five mills from the gas plant and 7.5 mills paid by Calgary.

Kirkland recommends an early start of preparatory work on the Genesee project to enable a start on construction early in 1967 and the plant in service in 1969.

Alderman Stan Milner said he had information that private concerns will be making bids to supply electricity to the city after the city's demands exceed the present generating capacity.

Alderman George Prudham said that if any company can make a long-term offer which would delay capital expenditures by the city, the city should make enquiries before council approves a major expansion program for the power plant.

Commissioner D. B. Menzies said the city's recent report on the power plant was published with the hope that it will activate private interests to make representations to the city.

PERSISTENT PROBLEMS IN HOME LAUNDERING

Yellowing and graying of fabrics is still the most persistent laundry problem. Most frequent causes are:

1. Incomplete soil removal
2. Redeposition of soil
3. Abnormal water conditions

A stubborn build-up of redeposited soil and accumulation of oily soils cannot be completely removed. However, the repeated use of hot water, plenty of detergent, chlorine bleach and a non-precipitating water softener will help to renovate the fabric.

B. McCutcheon

Where yellowing is caused by iron in the water supply, a filter system or a special iron exchange unit designed to take care of iron may be neeed. In many cases, however, the use of adequate amounts of detergent in the wash period and a non-precipitating water conditioner in the rinse period will correct this problem. In this type of yellowing, chlorine bleach tends to aggrevate the discoloration.

Contributing factors to these problems are:

1. Water Temperature—For maximum soil removal from durable, colorfast fabrics, water temperature at hot setting should be a minimum of 140 degrees F. The dinginess resulting from low water temperatures comes as a gradual build-up over many weeks.

Poor sorting—the temptation to throw in that last item often is a laundry culprit. For optimum results, clothes should be sorted for colorfastness, degree of soil and fabric types.

3. Incorrect Use of Detergents—The ideal detergent solution is approximately ⅓ ounce (by weight) of detergent for every gallon of wash water. High sudsing and low sudsing are a source of confusion. For front loading washers and combinations, low sudsing products are recommended in order to give proper concentration with excess suds.

Package instructions are helpful but not too accurate as the water capacity varies with washer types and sizes. Specific directions on detergent usage must come from the washer manufacturer's use and care book.

Atmore

Victor Grenier is a patient in the General Hospital in Edmonton.

Mr. and Mrs. Germain Routhier have moved to Lac la Biche where Mr. Routhier is employed.

A card party and bingo were held last week. Winners of first prize in the card game were Father Croutou, Roger Dakin, Mr. and Mrs. Dale Mellott. Consolation prizes went to Mr. and Mrs. Joe Dakin and Mr. and Mrs. Joe Duigou. The sum of $42 was realized. All proceeds are for the parish.

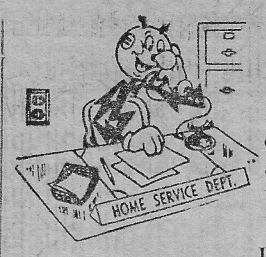
Andre Germain was in Westlock for three davs, where he had his truck repaired.

Mr. and Mrs. Grenier and Gerald motored to Edmonton to visit Victor in the hospital.

A general meeting of the St. Philip CWL was held at Mrs. Jerome Johnson's with the director, Rev. Father Croutou and 11 members present. Mrs. Jules Bossel was appointed social convener, Mrs. Joe Daken as spiritual convener. A discussion took place on ways and means of assiting societies such as the Marion Centre. Father Croutou played two truth tapes which were very interesting and gave much food for thought.

Mrs. Johnson and Mrs. Bossel served lunch.

Ten members of the CWL have started a civil defence course in home nursing. Mrs. Victor Genoud is the instructor.



REDDY Recommends

DREAMY DIVINITY

Yield: 2 lbs. or about 60 pieces
3½ cups granulated sugar
1 cup light corn syrup
⅓ tsp. salt
½ cup chopped nuts
24 red and green maraschino cherries, chopped, if desired
⅔ cup water
3 egg whites, stiffly beaten
1 tsp. vanilla extract
Food coloring, optional

METHOD

Combine sugar, corn syrup, salt and water.

Place over low heat, stirring constantly until sugar dissolves.

Boil, without stirring, to 265 degs. F., or hard ball stage.

Keep crystals from forming on side of pan by wiping with damp cloth as necessary.

Pour hot syrup in slow steady stream over egg whites, beating constantly. Continue beating until candy cools and holds shape when dropped from spoon.

Add extract, nuts and cherries. Mix. Use coloring to tint any desired pastel color.

Drop by spoonfuls onto buttered surface.

THIS'N THAT

The new thermal eye surface unit makes every pot and pan automatic. After the control has been set the unit comes up to the temperature you have selected. Then the sensing device, a bright metal cap in the centre of the surface unit, maintains that temperature, automatically preventing overcooking.

Julius Rossi Returns To Italy

HYLO — Julius Rossi who, with his brother John, had followed the frontiermen's broken trail to Hylo in the spring of 1920, has returned to Italy to join his wife. Mr. Rossi had homesteaded just west of Railway Mile 102, the original Hylo location which was abandoned later. He took interest in mixed farming and managed the farm with his son. Henry who is now left to carry on.

Back in the early growth of Edmonton, Mr. Rossi helped lay 101st street and also worked in the Edmonton post office.

Now in his 80's, Mr. Rossi decided to spend a few years in Italy.

Friends and relatives gathered at the home of Mr. and Mrs. Nick Chernichan last Saturday evening for a baby shower in honor of their new daughter Sandra.

The snow plow was in the district clearing the roads which were drifted from the recent snowfall and wind.

Mr. and Mrs. Earl Gordon and daughter of Fort Smith, N.W.T. visited at the home of the former's mother, Mrs. Alex Gordon, Mrs. Earl Gordon's aunt accompanied them on the trip.

The annual school meeting was held Thursday afternon of last week. Harry Wolansky was returned as trustee by accalmation.

AUDITOR'S CERTIFICATE

I have examined the books and accounts of the Town of Lac La Biche for the year ending December 31st, 1961 and made such tests of the accounting records and other supporting evidence as I consid red necessary in the circumstances. I certify that in my opinion the foregoing financial statements are properly drawn up so as to exhibit a true and correct view of the financial affairs of the Municipality as at December 31st, 1961 and the results of its operations for the year ended on that date according to the best of my information, the explanations given to me, and as shown by the records, subject to any qualifications mentioned in the Auditor's Special Report herewith.

Dated at Lac La Biche, this 26th day of January, 1962.

Signed,
W. J. CHESTER,
Lac La Biche, Alberta.

Students' Counsellor Outlines Challenge University Provides

The regular monthly meeting of the Holden Home and School Association was held in the school on Thursday evening, January 19, with the vice-president, Mrs. Helen Tiederman in the chair. Mr. Vanderwell of the University of Alberta Students' Counsellor Service was the guest speaker.

Mr. Vanderwell was introduced by W. Ogrodnick, who is the program convener for the last part of this year.

Mr. Vanderwell spoke to the young people who were present, of the challenge which university provides. The most thrilling opportunity, he said, is the opportunity to learn. Itis a self-test, he said, freedom from home and parents; responsibility, both of which may be of great benefit to the maturing mind. He promised work, work and more work, at least as much as would be required to hold down a job and much more rewarding.

Other opportunities arise including sports, drama, political issues and budgeting one's own money.

A question period followed the address and later the students were able to meet and talk with Mr. Vanderwell.

Mr. Brushett, in concluding the regular school news, spoke on the appeal which the Boy Scouts are making for the funds which are so necessary to their success. The members of the association were asked to keep this need in mind and give generously when called upon by members of the Boy Scouts. Lunch was served by the ladies.

Mothers Are God's Chosen Partners

by Ernest F. Miller, associate editor of THE LIGUORIAN

Michelangelo, the great and gifted sculptor, made statues so lifelike they almost breathed and spoke. Few mothers have the talent for making statues, but they do have the wonderful power of making human beings that are the very image of God and the heirs to heaven.

GOD, of course is the only one who has the power to create. But for reasons known fully to Himself He wants men and women to be His assistants in preparing the materials into which He breathes an immortal soul. Mothers are the special workshop for God's sublime and incredible miracle of bringing new life into this world.

During their lifetime some people make furniture; others make automobiles and airplanes. A few make beautiful pictures and statues. But all these things are perishable. No matter how durable the material out of which they are made, no matter how much care is given these objects, in the end they crumble into dust.

Not so with a new-born child. In a mother's womb are the seeds of immortality, for a human being never **really** dies. The child whom a mother brings forth into the world lasts as long as God—forever. Neither atomic bombs, nor sickness, nor concentration camps—not even death—can stop the life of a soul. A billion years may pass, yet her son or daughter will still be calling her, "mother."

MANY women forget that a baby is God's special interest. With the mother as His helper, God creates souls primarily for heaven and not for earth. He is not so much concerned whether these babies someday have an automobile of their own or a university education; rather He wants them in heaven so He can fill His children with an unbelievable amount of happiness.

God know that motherhood involves many sacrifices. He knows there is danger in childbirth, though there is more chance of meeting death on a busy street corner or riding in an automobile. He knows mothers have to go without many legitimate pleasures in life to provide for their children. But God does not change His plan. He still wants wives to give Him people for heaven through the great privilege and power of motherhood.

WHAT dignity and joy, then, belong to mothers who so cooperate with God in bringing His children into the world. Through her offspring are forged the golden chains of love. And though her trials and hardships are many, the rewards shall be great. God is waiting anxiously for the day when His chosen favorites have finished the task He has given them on earth. Then will mothers hear Him say, "You have served me well during your earthly life. Now you deserve your eternal reward. Come, let me show you around heaven."

Lamont Volleyball Teams Named Division Champions

The Lamont High School boys' and girls' volleyball teams are the Lamont school division volleyball champions. The tournament was played at Mundare.

The Lamont teams first played against Andrew. The girls won the first two games by scores of 15 to 9 and 15 to 12, entitling them to play Mundare for the trophy. The boys did likewise and won the first two games by scores of 15 to 7 and 15 to 8.

The girls defeated Mundare in the first two games by scores of 16 to 14 and 15 to 2 and won the trophy. The boys played three games, Lamont winning two out of three. Mundare won the first game by a score of 17 to 15, after playing overtime. Lamont won the second and third games by scores of 15 to 10 and 15 to 12. The boys won the trophy also.

The players on the girls' team were: Marilyn Mydansky, captain, Jean Andruchow, June Milsap, Georgina Eleniak, Pat Mendiuk, Gail Mydansky, Phyllis Klita, Betty Stefura, Marian Melnyk, Audrey Sofranovich and Ellen Lauder. They were coached by Mr. Marianicz.

The boys' team consisted of: Robert Antoniuk, captain, Robert Worbets, Jim Carter, Jim Strobl, Sherwin Cholak, Eugene Sharun, Roy Tychkowsky, John Winnick, Bill Sikora, Ron Small, Terry Cossey, Don Dziaba, Henry Stach and Paul Andruchow. They were coached by Mr. Solarz.

The teams were successful in their volleyball games. The girls set a record of all "wins" and no losses, and the boys lost only one game. The volleyball season came to an end when Lamont teams were hosts to Vegreville.

The Vegreville volleyball teams were Lamont's last volleyball competitors. The games were played on Jan. 12, resulting in favor of Lamont. The girls won the first two games by scores of 15 to 5 and 15 to 12. The scores of the boys' games were 15 to 7 in favor of Lamont; 15 to 4 in favor of Vegreville and 15 to 7 in favor of Lamont. Three mixed games were also played, favoring Vegreville. The scores were 15 to 12 for Vegreville, 15 to 4 for Lamont and 15 to 13 for Vegreville.

An invitation was extended to all parents to attend this game. Some parents were present.

Lunch was served after the games.

Mac Smith Injured In Highway Mishap

MANNVILLE — Mac Smith, local young farmer who lives south of Mannville village was badly injured in a head-on collision with a truck load of coal bound for Dewberry. Mac was returning from Vermilion on Wednesday about 6 p.m. when the mishap occurred, completely demolishing Smith's half ton pickup and pinning him inside the wrecked vehicle. Within moments help was on the way and fellow travellers, aided by a group of Mannville men and the doctor managed to extricate the unconscious man. It took exactly three quarters of an hour to achieve this. Mr. Smith is in the local hospital where he is reported to be holding his own. Mr. Smith's wife and family were not with him at the time of the accident.

David Budney Wins Pheasant Award

The Redwater Fish and Game Association award for bagging the largest pheasant in the district was won by David Budney of Redwater last November. The bird, which had 36 bars on the tail, was shot near Opal.

The trophy, a mounted pheasant, was presented to Mr. Budney in December by Bob Smith, president of the Redwater Fish and Game Association.

Scouts And Cubs Attend Funeral Of Fred Pesmany

THORHILD — Four Scouts and four Cubs, to-gether with their Scoutmaster and a group committee member, represented the Tohrhild Boy Scout troop at the funeral at Radway for a devoted head in the Scout movement, Fred Pesmany who died suddenly at the age of 49.

The passing away of Mr. Pesmany who headed the Victoria Trail Scout Council since its formation several years ago, is a great loss to the Scout movement in this area. He was regarded by many people in this area as an outstanding community worker, not only in the Scout movement but in several other phases of community work as well.

JOAN ANN HALUSCHAK, a grade 11 student, has volunteered to be queen candidate for Vilna School. Miss Haluschak, who is 16 years old, started her education at Errol School and came to Vilna School in grade seven. Joan's hobbies include skating, stamp collecting and reading. Her many friends wish her the best of luck in the contest.

JOYCE PRESTON, the grade 12 candidate for Carnival Queen, enjoys skating, swimming, reading and sewing. She has been a member of CGIT in the past, and plans to become a nurse in the future.

Diane Zuk Crowned Queen At Students' Union Ice Carnival

The Mundare School Students' Union staged its second annual ice carnival at the Mundare School recently. Throngs of people from various parts of the district braved the sub-zero weather and poor road conditions to attend the event.

The evening started off with the hockey game between the local high school team and the Willingdon Juvenile school team. The Mundare boys put up a good fight until the latter part of the game, but then collapsed and went down in defeat.

After the game the crowd flocked to the school to play bingo and witness the coronation of the queen. In this colorful ceremony last year's queen, Judy Swekla, crowned Diane Zuk queen for 1962. Princesses were Betty Sadownyk and Nancy Kornicki respectively. Queen Diane Zuk, the two princesses and runners-up, Joyce Kitt, Margaret Maslak, Bernice Lysak, drew the winning raffle tickets namely: Steve Latuska, of Warspite; M. J. Galuska of Edmonton; Janet Strumecki of Bonnyville; Walter Woytkiw of Mundare; and Bruce Buck of Edmonton.

Wes Dakus and the CJCA Club "93" Rebels supplied the music for the enthusiastic teenagers at the dance that followed.

Funeral Service For Tom Boston

REDWATER — Funeral services were held for Tom Boston, who passed away suddenly at Redwater at the age of 83 years.

Mr. Boston was born in Poland. He arrived in Canada in 1900 and came to this district in 1921. Here he was proprietor of a general store.

He is survived by one son, John of Redwater.

The funeral service was conducted at Edmonton by Rev. Fr. Nahowich.

Interment was in St. Joachim Cemetery.

Park Memorial was in charge.

MANNVILLE ELKS LODGE 395 served Christmas dinner to bachelors and widowers. Shown seated at the table are some of the guests.

Carmelle La France Is Named St. Paul Talent Search Winner

Three vocalists and a pianist took top honors at the 15th annual search for talent show held at St. Paul recently. The show was held under the auspices of the St. Paul Public School Home and School Association with Mrs. Emile Belzil as convener. An audience of more than 700 witnessed the show with 20 contestants competing for top honors in both the senior and junior divisions.

Mrs. James Hamilton of Two Hills was the adjudicator and selected Miss Carmelle LaFrance as the best in the show. She is a vocalist. Second place went to Miss Paulette Gamache with a piano solo and third place was won by Miss Sylvia Noel. All three contestants were from St. Paul and all three received cash awards donated by Northwestern Utilities Ltd.

In the junior division, first place went to Phillipe Noel, also of St. Paul. Mr. Noel has been invited to appear on CFRN-TV and Miss LaFrance will represent St. Paul and district in the regional semi-finals to be held in April. If she is among the top three at the semi-finals she will then compete for the Sunwapta scholarship in the finals on April 14.

Miss Claire Doucet of St. Paul, last year's winner here and third place winner at the finals last April, was guest soloist at the show.

Top 10 contestants will be heard on CFRN-Radio who assists the Associated Canadian Travellers in presenting Search for Talent throughout this portion of the province. Proceds go to the Northern Alberta Crippled Children's Fund.

Murray Blakeley of CFRN-Radio was the master of ceremonies and Jack McLean, club president, was team captain for the crew of travellers and their wives.

EDMONTON MEN'S PRESS CLUB held its first meeting with Premier E. C. Manning as guest speaker. Shown above are Herb Nixon, CBC News Director; Bill Caithrop, Edmonton Journal; Mr. Manning; Barry McCorquodale, CBXT Program Director; H. G. Webster, superintendent of Elk Island National Park. Main dish at the banquet was sweet grass buffalo. —Sun staff photo by Ken Larson.

$59 Price Increase Noted In Bull Sales

Looking back over 1961, it was a good year for bull sales from the point of view of the number sold and the average prices received. W. C. Gordon, live stock supervisor with the Alberta Department of Agriculture, reports that a price increase of $59 per head compared to 1960 figures was recorded for last year.

The gross sale value of bulls in 1961 was over 1½ million dollars. An average price of $486 per head was paid at the 29 contributors' sales, held by cattle breeders' associations, exhibition associations, agricultural societies and breed clubs.

The following table summarizes, by breeds, the number of bulls sold during the last two years and the average prices they brought.

NOT A CHANCE

One senator had been making the rounds of his home territory to remind the voters that he'd been doing a right fine job for them in Washington. Following a speech before a women's group, he was introduced to a new student.

"Madam," he smiled, "I certainly hope this constituency will return me."

She shook her head. "I wish you luck, but from the short time I've been in this community I can assure you that these people never return anything!"

Experience is what those who need it most can never have.

Miliusc Solakov, left, was the pilot of the Bulgarian reconnaissance jet plane, right, which crashed near a NATO missile base in Italy. Solakov, 24, was injured and was hospitalized under heavy guard. The plane carried reconnaissance cameras, a situation similar to that of the U.S. U-12 which crashed in Russia, creating an international furor.

Shower Honor Lucien Garris

PLAMONDON — A shower was held recently at the home of Mr. and Mrs. Phil Cadieux in honor of Miss Lucien Garris, bride-elect. Thirty-six ladies attended the event.

Games were played and many beautiful gifts were presented to the bride-to-be. The event was climaxed with the serving of lunch.

Many thanks were expressed to Mrs. Cadieux for her hospitality.

A stag party took place at the home of Leo Schaub in honor of Andre Schaub, the groom-to-be.

The large number of men present were entertained with the music of the Northern Blue Star Ramblers and singing.

Fire Destroys House And Garage At Plamondon

PLAMONDON—Edgar Belanger's garage and the house that was close by burned down recently. David Plamondon, local telephone operator, noticed the smoke coming from the house and rang the siren. A goodly number of men responded but could save only the tools in the garage.

Mrs. Arthur Gerard telephoned to her father, Elmer Plamondon, in Lac la Biche and he hurried here as he was the owner of the house occupied by Mr. and Mrs. A. Duperron.

E. Belanger's house, which had burned, had been rented to Lucien Gauthier who lost all his belongings in the blaze.

Mr. and Mrs. Arsen Duperron, who were living close to the garage, feared they would be unable to save their home, so many of the local men came to their rescue. They moved the furniture to a safe place and shovelled snow and sprinkled water to save the house. A few windows were broken by the flames.

Mr. and Mrs. Reni Bourassa invited them for dinner in the cafe and Mr. and Mrs. Joe Dragon kept them over night in the hotel as their home was just a mess. A group of ladies gathered at the house and cleaned it, and the furniture was moved back the next day.

Mr. and Mrs. Reni Bourassa gave a free lunch to the ladies.

Mr. and Mrs. Duperron expressed appreciation of the help they received and thanked those who had assisted them.

Valentine's Day is believed to come from the old Roman festival of Lupercalia, reports World Book Encyclopedia. The festival was held on February 15 in honor of Juno, Roman goddess of women and marriage, and Pan, god of nature.

Early Settler Sells Property At Spirit River

An era in the history of the Spirit River district has passed for Daniel F. Binkley, who recently sold his property in the Broncho Creek district to Stanley and Benny Kurys.

Mr. Binkley was one of the first settlers in that district, having gone to homestead there on Oct. 15, 1914, coming overland by way of Grouard and Peace River. During the years he acquired more land and built modern buildings.

Mr. Binkley did not make his permanent home at Spirit River, being employed on the railroad at Calgary, but was always active in improving his property.

The efforts of this early pioneer will be well remembered by the residents of the area; and it is hoped Mr. Binkley, for many years, will have pleasant recollection of the Peace River country.

Felix Powder Feted On 85th Birthday

PLAMONDON BAY — A birthday dinner was held recently in honor of Felix Powder, who was celebrating his 85th birthday. A double layer fruit cake, decorated with 85 candles held the spotlight in the centre of the table.

Attending the celebration were his daughter and son-in-law, Mr. and Mrs. Alex Stratton; grandchildren Gloria, Charles and Donald; Mrs. Paul Belanger, Paulette and Douglas. Another daughter, Mrs. Gabriel Ladouceur, and grandchildren, Mr. and Mrs. Edgar Baucher and a son, Adolphus, were also guests at the dinner.

Mr. Powder is enjoying good health and does his own housekeeping and chores.

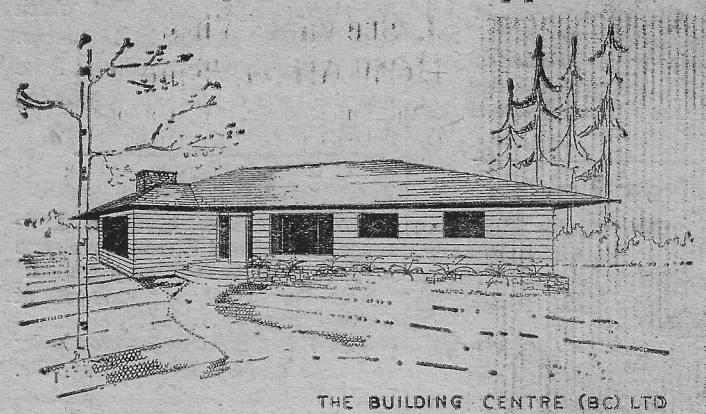
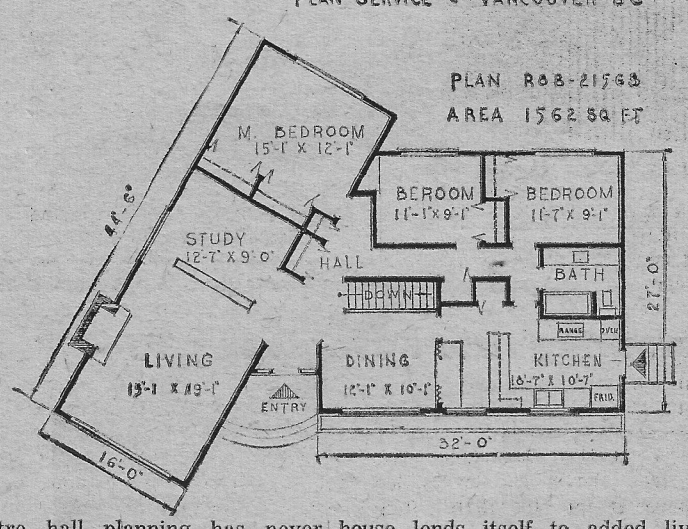
Outstanding Executive Type Home



THE BUILDING CENTRE (BC) LTD
PLAN SERVICE • VANCOUVER BC



Centre hall planning has never been used to better advantage than in this well designed executive type home, especially designed for a front view lot.

The especially attractive entry opens into a front hall, and continues on to the centre hall, from which the various sections of the house fan out. The living room, study and master bedroom are completely separated from the rest of the house, and designed so that they go to make up the floor layout.

Conventionally located are two more bedrooms at the rear of the house, and a family sized bathroom with built-in vanity wall. Kitchen shows plenty of cupboard space and all the modern requisites of up-to-date living, including an eating bar which opens into the kitchen area, but can be shut off from the dining area if desired. Dining room for more formal dining features open wall on the stairway down to the partial basement under this particular section of the house.

The unusual designing of this house lends itself to added living enjoyment and pride of ownership. Harmony of line is indicated in the smooth uncluttered appearance of the outside which lends itself to "dressing up" by the addition of planters, shrubs and elegant landscaping. This is truly a beautiful home for the executive or professional man.

Designed for NHA approval, working drawings are available from the Building Centre (B.C.) Ltd., 116 E. Broadway, Vancouver 10. New edition of Select Homes Designs plan book available. Send 25 cents to cover cost of mailing and handling. Plan No. 21562. Copyright No. 117093.

Thompson Predicts Major Socred Upset In Next Election

Dr. Robert N. Thompson, national leader of the Social Credit party of Canada, stated on Friday that "Alberta G.I.L. plant could produce $40,000 per man year".

Speaking to a special banquet of the Social Credit party in Edmonton, Dr. Thompson said that "the party is pledged to a financial system that will reflect the enormous potential of Canada". One of the basic principles of the Social Credit is that "whatever is physically possible and desirable, and morally right, can and should be made financially possible."

"Properly encouraged, Canadians would have the $7,000,000,000 they now have in savings, out developing the country", Dr. Thompson stated.

British Columbia and Alberta, both governed by Social Credit, are far ahead of the other provinces of Canada in the development of their natural resources, the leader stated. But, he pointed out, almost 60% of all the professional graduates of Canadian universities are going outside of Canada for their careers.

In referring to the expected federal election, Dr. Thompson predicted that "Social Credit will emerge as the dynamic and upsetting force in Canada as far as the old line parties to mention their bank accounts" to are concerned." He continued, the state.

"there will be more Social Crediters from the east than from the west, and more from the west than ever before," indicating thereby that he expects the Social Credit party to to try and provide a new vehicle to mobilize the people who share a desire to combat pyramiding national debt and "the insidious drift to more and more collectivism".

Chairman of the banquet was Hon. A. R. Patrick, Minister of Industry and Development in the Alberta government.

stage a major upset when the government goes to the people some time this year.

"I see a sincere desire for something new," said Dr. Thompson assessing his recent visits to various parts of Canada. "and the people are more and more determined Social Credit should have its chance."

Dr. Thompson said the political philosophy of the old line parties has encouraged individuals to surrender their initiative and their pride, not "Inadequate and incompetent government policies alone hold our nation back."

CHANGE SYSTEM

Our financial system worked in an age of scarcity, said the Social Credit leader, but now in an age of plenty it doesn't. We must change the system to meet the circumstances of today, he added.

Today we are "charging our inefficiencies on our children," he said. Today's government will be gone when this year's billion dollars in debt comes due.

"Some day our children will realize we had a heck of a good time on their money."

Deficit financing has been made easy in Canada because "it is more profitable to invest in the debt of Canada than in the resources of Canada."

Dr. Thompson elaborated by pointing out the average corporate profit in Canada was 2.3 percent last year, bank interest was just over three percent and government bonds paid six percent.

"The first step to eliminating national debt is to stop increasing it," Dr. Thompson said in answer to a question following his address at the Mayfair Hotel.

The rink with the highest score was skipped by J. Stewart, for a total of 35 points. Others on his rink were: Ruth Proctor, Marj Cadow and Olga Mischuk.

Thirty-four points were scored by Paul Gaberal's rink with Leo Gargus, Jack Kenny and Robert Whitford. Third place went to Skip F.W. McMillan and his rink made up of C. Bracken, Mary McCormick and Emeline Makowichuk.

Fourth place was Auguste Gatzke, skip, John Yakimic, Earl Christensen and Cecille Yakimic.

Three teams tied with 31 points. They were Steve Hamar, skip, Bob Stubberfield, Emily Pruden and Florence Lockwood; J. Williams, skip, Peter Bouchard, Marshall Hamar and Evelyn Woynarowich. J. Olstad's team was eliminated in a draw. They were Eli Makowich, Joanne Cadzow and Anne Mischuk.

Consolation prize for the lowest score went to a rink skipped by Glen Williams, Hector McCormick, Ron Lloyd and Sterling Johnson.

Barbara Budney Wins First Prize In Boyle Ladies' 'Spiel

The Boyle lady curlers held their annual bonspiel on January 27 and 28. Fourteen rinks from Edmonton, Redwater, Newbrook, Grassland, Lac La Biche, Colinton and Boyle took part in the event.

Curling began early Saturday and continued until 6:00 p.m., when all the ladies forgot their serious games and took a breather to enjoy a banquet. The games then got underway again and by Saturday night some of the teams had dropped to other events.

When the final rock was thrown on Sunday night the standings were as follows: In the grand challenge, Redwater skipped by Barbara Budney captured first prize; Alice O'Ball and her team from Boyle took second; Mrs. Breckenridge from Colinton got third and Mrs. Heatherington from Grassland took fourth.

In the second event the three teams from Edmonton took all the honors with Mrs. Gordichuk winning first, Mrs. Monson second and Mrs. Hall third.

Ethel Cutrel won first in the third event and Mrs. Senetza from Lac La Biche won second.

The men's bonspiel, scheduled for Feb. 1, 2, 3 and 4 had to be cancelled due to the spring-like weather which came upon the area for several days.

4-H Club Notes

SARRAIL — On Jan. 31 a regular 4-H meeting was held in the Grassland School. The chairman was Ruth Frederick. The meeting started at 7:15 p.m. For roll call each member stated a good hint on how to act in public.

The main part of the meeting was centered around the demonstration given by Verna Jenkins & Joan Nykolyn on how to put in a set-in sleeve. Many helpful hints were shared by the girls. This was followed by sewing done by the first, second and third year girls. After an enjoyable evening the meeting was adjourned. The next meeting will be held on Wednesday, Feb. 14 in the Grassland school

Farm Facts

Ringworm can usually be cured by an intravenous injection of a solution of sodium iodine.

Silage will retain its food value if it is acid and airtight.

Pigs are susceptible to rheumatism and their sties should be warm, even if the atmosphere seems stuffy.

Boyle

A survey crew has arrived in town to survey for new sidewalks.

Influenza has been making the rounds and a large number of children have missed school. Adults have also had their share of the sickness.

People Can Force Revision Of "Blue Laws" In Canada

The people of Alberta should put pressure on their federal representatives to bring about a revision of the Lord's Day Act. Premier E. C. Manning, speaking to the first meeting of the Edmonton Men's Press Club, said this would be a most effective means of getting some action on the matter.

Alberta has made representations to the federal government to have the law revised, but has met with no success.

The many inconsistencies in the present "blue laws" point to a drastic need for revision, said Mr. Manning. The act was enacted under circumstances different to those prevailing now and should be rewritten.

Police don't look for minor abuses, but do act once a citizen has filed a complaint.

TB Reports At School Scare Home Buyers, Irk Parents

The tuberculosis scare at the Salisbury High school has aroused concern among residents normally wishing to sell their homes in Sherwood Park. Reports that one teacher and five students have been admitted to the Aberhart Memorial Sanitorium—and that 85 students showed positive skin-test reactions—has curbed interest in home-buying in Sherwood Park, residents report.

A daily newspaper headline saying that the school had been "Hit by 94 TB Cases," said one Sherwood Park mother, conjures up pictures in the mind of a school-full of students breathing out TB germs and coughing up blood." Arguments raged as to whether a positive skin-test reaction or primary infection constitutes a case. A former doctor at the sanatorium said that these could not truthfully be called "cases," but secondary infection is a "case."

Dr. H. Siemens, medical officer of health for the Leduc-Strathcona Health Unit said that "there is absolutely no cause for alarm."

He said there is one case of secondary or active TB and of the 92 who showed a positive reaction to skin tests, nine were called by the sanitorium for further assessment. Of these nine, five have been admitted to the sanitorium.

A complete analysis of reports on over 1,500 persons X-rayed will be available towards the end of February.

The result sof 400 skin tests given show that positive reactions to the tests totalled 25 per cent. Students who showed positive reactions will receive no treatment, but will continue at school, as they are not carriers of the disease.

Despite the fact that in Alberta only 500 new cases were discovered in 1960, there is still no room for public apathy or complacency, according to Dr. G. R. Davison, in the twenty-second annual report of the Alberta Tuberculosis Association.

The Salisbury High school secondary case of TB is that of the hospitalized teacher. The man had been receiving fairly continuous medical treatment since last summer but diagnosis of the tubercular condition was not made until January of this year.

People once thought that Valentine's Day was for the birds. According to World Book Encyclopedia, it was believed that birds choose their mates on February 14.
